

FULTON FIGHTS OPIOIDS WITH DRUG BOXES FOR SAFE DRUG DISPOSAL

Drug drop boxes provide a place for safe disposal of prescription drugs. These boxes are an important tool in the fight against opioid abuse.

Why?

Many people who become addicted to opioids first try pills prescribed to a friend or family member.

By getting unused prescription medicines out of your home, they are less likely to be misused by someone else.

Pharmaceuticals are regularly retrieved from the locked boxes and transported to the GBI incinerator in metro Atlanta by law enforcement personnel.

ACCEPTED DRUGS INCLUDE:

- Prescription medications
- Controlled substances
- All over-the-counter medications
- Medication samples
- Pet medications
- Vitamins & supplements
- Homeopathic remedies
- Medicated ointments, lotions, creams and oils
- Liquid medication in leak-proof containers

NOT ACCEPTED:

- Needles/sharps
- Syringes with needles
- Thermometers
- IV bags
- Bloody or infectious waste
- Personal care products
- Empty containers
- Hydrogen peroxide

See reverse for listing of drug disposal box locations.
