# GEORGIA ADOPT-A-STREAM BACTERIAL WORKSHOP

SATURDAY, JUNE 17, 2023  
10:00 AM - 3:00 PM

Join Fulton County Public Works and the Autrey Mill Nature Preserve for this immersive citizen scientist opportunity. All program participants will be trained in bacterial water quality monitoring techniques. Learn how to monitor E.coli levels in a stream and identify possible sources of pollution. Pack a lunch, bring your boots, and become a community scientist with the Georgia Adopt-A-Stream program!

**REGISTRATION**
