Project Title	Operation & Maintenance Services for Wastewater Facilities & Pump Stations in the North Fulton Service Area
Scope of Work	<p>Subcontracting Opportunity – Fulton County – Proposal for Operation & Maintenance Services - North Fulton Wastewater Facilities Outreach Event - Friday, October 4, 2019 - 1 PM to 4 PM Chattahoochee Nature Center, 9135 Willeo Road, Roswell, GA 30075 You are cordially invited to attend an informational meeting related to subcontracting opportunities with Veolia on our upcoming Proposal to Fulton County. This project represents a renewal of Veolia’s current operations, maintenance and management services contract with Fulton County for the North Fulton Service Area wastewater facilities. To support our renewal Proposal, Veolia is seeking to identify and partner with qualified local firms that can provide subcontractor services in areas including: O&M staffing; landscaping; chemical supplies; janitorial; learning center support; biosolids removal; SCADA and instrumentation systems support; and electrical systems maintenance. To RSVP for this event, and for additional information, you may contact: Mr. Francis Crehan, Vice President for Proposal Development - Veolia North America - Email: frank.crehan@veolia.com - Telephone: 813/983-2815 Address: 14055 Riveredge Drive, Suite 240, Tampa, FL 33637 If you cannot attend this event and are still interested in submitting your information for this opportunity, please contact Mr. Crehan directly.</p>
