

2020 CENSUS

Let's get counted, Fulton!

WHAT IS THE CENSUS?

The U.S. Constitution mandates that every 10 years, the United States conducts a "census," which is a complete count, of the entire population.

WHO GETS COUNTED?

The Census counts **everyone** who lives in the United States, regardless of their immigration or citizenship status. If you live here, you count!

The 2020 CENSUS is EASY, SAFE, and IMPORTANT

EASY

The 2020 Census will be the first online census in U.S. history.

SAFE

Census personal data is not shared with any other agencies. All census information is protected by law in Title 13 of the U.S. Code with punishable violations of up to five years in federal prison and/or a \$250,000 fine.

IMPORTANT

More than \$28 billion is at stake for Georgia. Census data is used to determine the level of federal funding for critical programs such as Supplemental Nutrition Assistance Program for Women, Infants and Children (SNAP/WIC), Medicaid, Children's Health Insurance Program (CHIP), Pell Grants, and highway and transportation projects.
